Subject.
Repairs of the Sri Surya Malleswara Swami Temple at Andarahalli, Vemgal Hobli, Kolar Taluk.

LAST REFERENCE:—

Letter No. 5206/482, dated 12th May 1904, from the Deputy Commissioner of the Kolar District.

Subbanna, Archak in the Sri Surya Malleswaraswami Temple at Andarahalli petitioned to this Office from time to time* praying for the early repairs of the temple. The Deputy Commissioner of the Kolar District to whom these petitions were forwarded, has now submitted the entire correspondence on the subject, under cover of his letter cited above.

From the above, it is seen that the temple of Andarahalli Surya Malleswara Swami is a Muzrai institution endowed with the marginally noted inam land assessed at Rs 46/- which are in the possession of the Archak and that Puja is being regularly conducted therein. The Assistant Commissioner who inspected the temple reports that the

Institution consists of a main building, Ammanavaru temple and 2 cook-rooms, and that they all leak badly, and submits an estimate for Rs 218/- providing only for such ~~repeat~~ repairs as are urgently required to preserve them from decay

The Deputy Commissioner, in transmitting the estimate, states that there are neither savings available at the credit of the temple, nor are there any devotees who would contribute towards its repairs, nor is the produce of its inam lands large enough to be utilized for repairing the temple, and requests therefore that the estimate may be sanctioned from State funds.

Submd.

The Archaeological does not seem to have made any efforts to collect repairs in the building by processing private subscriptions. ~~The~~ As the is in possession of the Inam lands, he should be asked to contribute a major portion of the cost. The question of giving a small contribution from the State funds will then be considered

Offg: Secretary to the Government of Mysore, Mysore
Department.

Sir,

With reference to your official memo. No. 1562 dated 22nd February 1903, forwarding for disposal a petition received from Subbanna, Archak of Swayambhulingeswara Swami temple of Andrahalli, Vengal hobli, Kolar Taluk praying for the repair of the above temple, I have the honor to submit herewith copy of letter No. 100 dated 27/29th April 1904, received from the Assistant Commissioner in charge of the Taluk together with its enclosures. It will be seen therefrom that the temple is endowed with

Inam lands assessed at Rs 46/ which are in the possession of the Archik and that pooja is being regularly done in it. The temple building is reported to leak badly and to be therefore in urgent need of repair. There is no money available at the credit of the temple; and there are no devotees who take sufficient interest in the institution to contribute at least in part towards the cost of repair. The produce of the Inam lands is also not large enough to be utilized for the repair of the temple. Under these circumstances any amount required for putting the temple in order will have to be sanctioned by Government. Taking these facts into consideration a small estimate for Rs 218/- has been prepared providing for only such urgent works as are necessary.

to preserve the main building and the Ammanagudi from ruin and decay. I beg that the estimate may be sanctioned from State funds. —
